

QLASSIC

Quality Assessment
System in Construction

**the only quality assessment
system available in Malaysia**

Quality Assessment System in Construction (QLASSIC) is an independent assessment tool to measure and evaluate the workmanship quality of a building construction works based on Construction Industry Standard (CIS 7:2021 Quality Assessment System for Building Construction Works).

QLASSIC enables the quality of workmanship in that particular project to be objectively measured through a scoring system.

National Housing Policy (2018 – 2025) under Focus No. 2 which is to emphasise QLASSIC Certification for all new public and private housing projects.

Benefits to QLASSIC Applicants:

- 01** Automatic 15 CCD Points for contractor's registration renewal
- 02** Towards Continuous Improvement in construction quality
- 03** Eligible to be awarded during QLASSIC Day
- 04** To have a standard quality assessment system for quality of workmanship of building projects

WHY QLASSIC

- 01** Enables you to benchmark the quality of workmanship of your construction project
- 02** Enhances quality control in construction works
- 03** Provides you a standard quality assessment system on quality of workmanship of construction works
- 04** Specified as a quality criterion for contractors performance scorecard
- 05** Subsidised for government project
