

SHASSIC

Safety and Health Assessment System in Construction

CCD
20
POINTS

Safety and Health Assessment System in Construction (SHASSIC) is an independent assessment tool to assess the safety and health at the work-site in the construction projects.

BENEFITS OF SHASSIC:

- Automatic 20 CCD points for contractor's registration renewal
- Fees fully subsidized by CIDB
- Towards OHSAS 18001 / MS1722 / ISO 45001 Certification
- Towards Continuous Improvement
- Can participate in MCIEA for Safety Category
- Readiness for Occupational Safety and Health in Construction Industry-(Management) (OSHCIM)

The assessment shall cover 25% to 75% of a project's physical progress and shall inclusive of construction planning stage and construction stage.
